District 215 Alignment

Don Schulze, DTM, PDD, D215 Alignment Chair

Town Hall March 11th, 2026

D215 Alignment Committee Members

- District 11
  - Division B: Crenel Francis, SR3
  - Division C: Linda J. Hendrickson, EC5
  - Division D: Robin Wiggins, DTM
  - Division E: Christina Owens, DTM
- District 40
  - Division A: Keith Allen, DTM
  - Division B: Scott Connor, DL5
  - Division C: Ron Gillespie, MS5
  - Division D: Ric Willer, MS5
  - Division E: Charlie Monette, DTM

TI Guidelines: District Handbook

Alignment Considerations

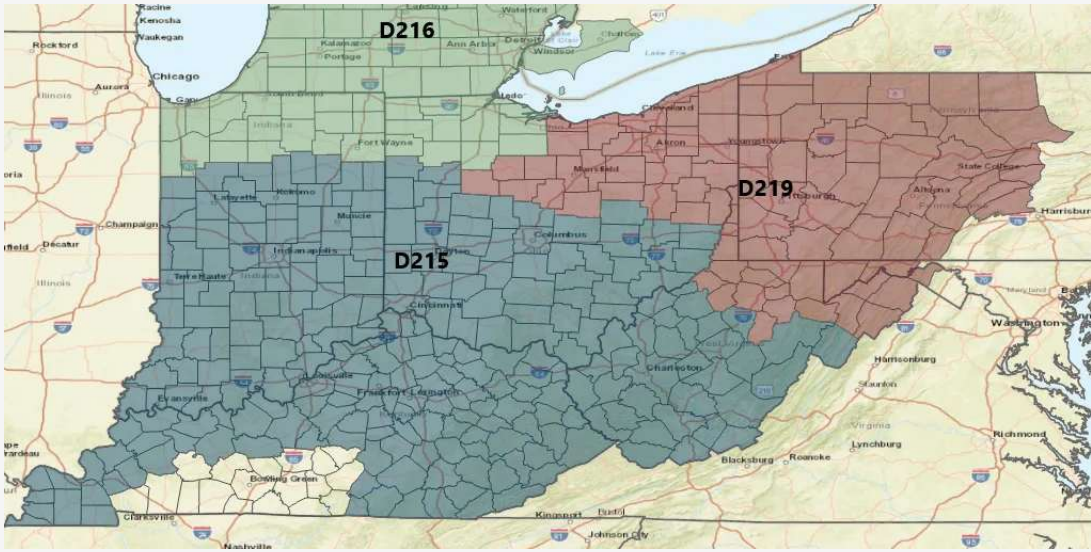
The District Alignment Committee considers several factors when recommending alignment changes.

- No more than nine Divisions in a District.
- At least four Areas per Division.
- No fewer than four clubs in good standing and no more than six per Area.
- Geographic proximity to other clubs.
- Ability to participate in the Distinguished programs.
- Area Director to effectively provide service, without requiring the clubs to change how meetings are conducted to accommodate an Area Director visit.
- Potential loss of clubs in those Areas and Divisions.
- Club size and strength.
- Prospective clubs and expected growth.
- Strategy focused on the benefits for all.
- **Low and ineligible clubs must be included.**
- **Advanced clubs may not be segregated into Areas.**
- **Areas cannot be segregated by club type.**

District 215 -- Maps

Current

Effective July 1st, 2026



Recommendations

Overview

Six Divisions in the following geographic proximities:

- Division A: Dayton and Northwest of Columbus/Cincinnati
- Division B: Columbus, Ohio
- Division C: Cincinnati, Ohio (including Northern Kentucky clubs)
- Division D: Lexington, Louisville, Evansville, and West Virginia
- Division E: South Central Indianapolis and Indiana clubs to the South
- Division F: North Central Indianapolis and Indiana clubs to the North

By the Numbers

- Divisions average 30 clubs
- Four Divisions have six Areas, and two (Division D and Division E) have five Areas
- Most Areas have 5 or 6 clubs per area to promote lasting areas/divisions and were organized by club strength, geographic proximity, and special requirements (e.g., corporate/base access)
- We analyzed membership addresses of our virtual clubs to determine the proximity of their members to the optimal area or division
